Dear Parents,

It is up to the parent to make sure the emergency form is always updated. To up date emergency form you must complete a new form. No white out, all scratch outs must be initialed.

If the school needs to contact the parent for any reason. Roennes's School will call: the first person on the list, (Mother's job number). If no answer, the second person on the list. (Father's job number) if the mother and, or father cannot be contacted; Roenne's School will start calling the names from the authorized persons list.

Under no circumstances will a child be released from Roennes' School to anyone, unless they are on the emergency form. If you are running late please contact the school immediately. Phone calls are no longer accepted, stating someone other than the persons on the emergency form will pick your child up. If you send someone who is not on the emergency form they will be turned away. Anyone you send who is on the emergency form must show some kind of picture identification. This is for the protection of your child.
